Huntington Orchestra Takes Gold

The Huntington Middle School Advanced Orchestra attended a music festival at Fullerton College on Friday where they received a top rating of Gold from the nationally recognized adjudicators.

The event, put on through Forum Music Festivals, attracted a large number of middle and high school ensembles throughout Southern California.

In addition to winning top honors, several Huntington students were recognized for their individual musicianship. Violinists Justin Sun, Geoffrey Kwok, Walter Chi, and Brandon Rubin, received a special "Outstanding Musician" award for their performance in Vivaldi's Concerto for Four Violins.

The Huntington orchestras will be holding their last concert of the year on June 8 at 8:00 pm in the Huntington Auditorium. The program will feature works by Dvorak, Copeland, Vivaldi, Bartok, and Bach. Admission is free. ·
